An act to amend Section 11364.7 of the Health and Safety Code, relating to distribution of needles and syringes.

## LEGISLATIVE COUNSEL'S DIGEST

AB 136, Mazzoni. Drug paraphernalia: clean needle and syringe exchange projects.

Existing law makes it a misdemeanor to furnish drug paraphernalia, knowingly, or under circumstances when one reasonably should know, that it will be used to inject or introduce into the human body a controlled substance.

This bill would exempt from criminal prosecution public entities and their agents and employees who distribute hypodermic needles or syringes to participants in clean needle and syringe exchange projects authorized by the public entity pursuant to a declaration of a local emergency due to the existence of a critical local public health crisis.
